8:30—9:00 AM Registration

9:00 AM – 12:00 PM Technical Sessions

Metalor — Industrial Wastewater Treatment Facility — Overview of the facility and recovery process, an overview of the old wastewater system and the upgraded system, working with the IPP Coordinator, and permit sampling and frequency

MA Office of Technical Assistance (OTA) Services and Upstream Pollution Prevention - Tiffany Skogsrom, OTA Outreach and Policy Analyst - The Massachusetts Office of Technical Assistance (OTA) offers free and confidential pollution prevention and toxics use reduction assistance to all Massachusetts companies. OTA will share online tools and resources on how to identify toxics users and how their OTA can provide upstream interventions.

Initial Feasibility Study for Co-Digestion at the Rockland WWTP - John Ross, Brown & Caldwell— With support from the MassCEC, Rockland recently evaluated the economic viability of co-digestion using existing anaerobic digesters. The study provides insight into the financial drivers impacting residuals management in New England.

Break 10:45 - 11:00 AM

Planning for the Future: Success Stories from New England Wastewater Management Programs - Jennifer Lichtensteiger, NEIWPCC— The successful Rhode Island Operator Boot Camp, started in 2007, provided a model for Maine, Massachusetts, New Hampshire, Connecticut, and Vermont to develop and offer similar programs. Many graduates are now managing facilities in these states. This presentation will share success stories and lessons learned from the Connecticut, Maine, Massachusetts, and Rhode Island programs.

Adapting Collection System Infrastructure to Changing Flood Vulnerabilities – Southeastern Massachusetts Case Studies - Anastasia Rudenko PE, BCEE, ENV SP GHD This presentation will use case studies for collection system infrastructure along multiple types of waterbodies to discuss flood resilience measures being evaluated and implemented in Southeastern Massachusetts.

12:00 – 12:30 PM Association Business 12:30 PM Adjournment followed by lunch

1:30 PM Directors Meeting (Anyone interested in committee activities or greater involvement is invited to attend)
